

Intake Questionnaire Child/Adolescent

Client Information	
Client Name:	Date of Birth (yyyy-mon-dd):
Parent/Guardian Name:	Phone Number:
Family Physician:	
Current Concern	
What is the concern that led you to seek therapy for your child?	
What should I know about your child and family to better understand the situation?	
What are your expectations of therapy and how will you know when your child no longer requires therapy?	
Identify your child's positive and challenging behaviours.	
Exploring Art Modalities	
There are many ways to do art. Ask your child which ones they like and put a \checkmark beside those ones, which ones they do not like and put an X next to those and put a ? beside the ones they do not know much about.

Medical History

Please list any health issues your child has:

Please list any medications your child is taking:

Mental Health History

If your child has had previous experience with mental health services, please describe the circumstances, any diagnosis given and any treatments provided.

Trauma History

If your child has experienced a recent trauma, please provide the details of the trauma and how you know of these details.

What has been your child's response to the trauma? Identify any ongoing behaviours or concerns.

If your child has experienced other past traumas (ie. Deaths, losses, neglect, separations) please list those here and whether they were treated.
